

TRAINING PADS and WASTE BAGS

Quilted Pet Training Pads

Our exclusive quilted pattern design offers maximum absorbency. Pet training pads are used as a training aid for puppies or older dogs. Made of an advanced technology polymer that absorbs and traps liquid, sealed edges and leak-proof backing protects floors from wetness and provides easy clean-up. A great product for apartment or condo and do not have access to a yard. Also, a great option when it is raining; keeps you and your dog dry inside.

LB12008 16" x 20" Quilted Pet Pads, Lemon Scented – 8 per case

LB12022 22" x 22" Quilted Pet Pads, Lemon Scented – 8 per case

Washable Pet Training Pads

An eco-friendly "green alternative" for house-training pets. Our exclusive paw-printed, soft-quilted top layer design with super absorbent inner layer and leak proof vinyl backing traps fluids without spilling or leaking. Machine washable and dryer safe.
