

IF IT HAS OUR NAME ON IT  
WE BAKED IT OURSELVES!

All Northern Biscuits are baked from scratch in our own ovens.

**Northern Biscuit Company** realizes the importance of a dog's place in the family. Just as proper nutrition is important to your family's health, it is equally important to the health of your dog. Inspired by the pristine wilderness and poetic beauty of Canada's Far North, Northern Biscuit have developed a variety of natural biscuits using stone ground grains, wild game, farm fresh meats and fresh Lake Trout!
