

Stain & Odor Removers For Cats & Dogs

Petastatic's unique blend of proprietary enzymes, detergents and odor counteractants cleans stains and eliminates odors caused by pet accidents including urine, feces and vomit. Works on carpets, upholstery, clothes, furniture, sealed wood, tile, linoleum, and any water safe surface.

Use Petastatic first as other cleaners may set stains making it almost impossible to remove them. Works where other products fail due to its unique scientific blend of enzymes that work in unison with proprietary odor counteractants to eliminate the odors associated with pet accidents.
