CAT SCRATCHER

CAT PRODUCTS

Bootsie's Combination Woven Sisal Cat Scratcher

It is very important for a cat to have a durable scratching post. Cats need a scratching post to help them tone their muscles, to remove old nail sheaths from their claws and to help relieve stress. The Bootsie Scratcher is made from woven sisal which is much more durable than wound sisal. This means that you will get much more use out of your scratching post.

BENEFITS:

- Fibrous and durable woven sisal naturally inspires scratching – long lasting and tough
- Comes with an easy to set up wall mounting system
- Rubber feet provide stability and prevent slipping while on the floor
- Measures 24"x 7"x2.5"

PP00034 Bootsie's Combination Woven Sisal Floor or Wall Cat Scratcher

Multi-Level Climbing Platform for Doors

Designed to hang on any standard door in your home, the Cat Climber from SmartCat is the perfect choice for smaller homes or people who don't want to swap an end table for a traditional cat tree. Now your cat can scratch, play, sleep, and exercise safely on this patented product. The climber is easily moved from door to door because of its spring loaded bracket system. The natural sisal post is ideal for scratching. Made of durable wood, the climber will withstand years of use. "I have three in my house, one for each cat," says designer Angela Moser. "Our cats love it when we move them around the house; it's like a new adventure for them."

Features and Benefits

- Rigid construction for years of use
- Patented technology
- Easy assembly & disassemble
- Provides hours of entertainment
- Great source of exercise
- Enhances home décor
- Space saving – fits on virtually any door

PP00131 Multi-Level Climbing Platform to Hang from Doors

CAT PRODUCTS

The Ultimate Scratching Post

Cats need a scratching post that will allow them to get a full stretch. The 32" post height allows the cat to stretch vertically while using the post (important for territorial marking purposes and for toning muscles). The finest materials and workmanship guarantee the scratching post will remain attractive and useful for years. Redesigned base is two pieces for extra durability.

Features and Benefits

- 32" height allows cats to stretch fully and tone muscles
- Sturdy 16" by 16" base eliminates tipping and wobbling
- Fibrous and durable woven sisal naturally inspires scratching
- Superior to carpeted posts that may snag nails
- Assembles with two included screws
- Attractive and neutrally toned

PP0007 The Ultimate Scratching Post

Sky Climber Wall Mount Climber

Cats love vertical territory – the higher the better. It gives them a feeling of security and mastery over their environment. The Sky Climber allows the cat to jump to an acceptable resting perch where it can nap or just survey the home territory. All cats love high places, but it is especially important that multi-cat families provide a number of wall perches. This allows the cats to space themselves throughout the home. This will also help to reduce territorial disputes and promote harmony in the cat family. The perches are easily mounted on the wall. You decide where these kitty masterpieces will be showcased on your walls. The sky's the limit!

Features and Benefits

- Provides "Vertical Territory", Essential For The Well-Being & Happiness Of Indoor Cats
- Durable Sisal Inspires Scratching
- Elevated Platform Promotes Healthy Jumping & Stretching
- Attaches Quickly & Securely At Any Level That Suits Your Cat's Leaping Ability

PP00017 Sky Climber

CAT PRODUCTS

Kitty's Organic Garden

Like people, cats need vegetables in their diet to aid in digestion and to provide balanced nutrition. Kitty's Garden supplies your cat with the tasty green grass that it craves, and gives cats a safe alternative to nibbling on your houseplants, which can be potentially toxic to them if swallowed. All you do to serve your cat is place Kitty's Garden near their food dish or in some other place they'll find it.

BENEFITS:

- 100% organic oats, wheat, rye and barley
- Grows in 4 to 6 days
- Aids with digestion
- Helps prevent hairballs
- Helps prevent ingestion of potentially toxic houseplants
- Sturdy wood frame keeps your cat from knocking it over

PP00047 Kitty's Organic Garden – wooden frame with seed & peat

PP00048 Kitty's Organic Garden refills

Ceramic Kitty Garden

Cats need vegetables in their diet to aid in digestion and to provide balanced nutrition. Kitty Garden supplies your cat with the tasty green grass that it craves, and gives cats a safe alternative to nibbling on your houseplants, which can be potentially toxic. 3.5" wide x 3.5" high x 1.5" deep

CAT PRODUCTS

Peek-A-Prize Wooden Toy Box with 2 Toys

Cats have an instinctual desire to watch cracks and crevices, especially when they know that something is hiding just beyond their sight. The Peek-a-Prize Toy Box is designed to build on your cat's instinct by partially hiding some of your cat's favorite toys, and your cat will go crazy fishing them out! Peek-a-Prize is especially great for those times when you have to leave your cat home alone, because this toy will keep your cat occupied for hours. Rotate the toys in the box so they are always digging for something different, and for extra fun, put a few food treats inside!

Features and Benefits

- Encourages cats' natural predatory behaviors
- Stimulates indoor-only cats to keep them mentally and physically fit
- For food-motivated cats, drop kitty treats into the toy box for cats to retrieve and eat
- Works with virtually any appropriately sized cat toy or catnip
- Durable wood Toy Box will last for years and looks great with any furnishing

PP0008 Peek-A-Prize Toy Box

The Peek-and-Play Toy Box with 2 Toys

Designed to build on your cat's instinct by partially hiding some of your cat's favorite toys and your cat will go crazy fishing them out! Tiger Motorized Mobile Door Knob Hanging Cat Toy

The Tiger Mobile is an interactive cat toy that will provide your cat with hours of fun and exercise. Just attach it to any door knob and let the motorized, battery-powered mobile maneuver the cat toys in ways that will bring out your cat's natural hunt and play instincts. The Tiger Mobile does all the work for you as your cat enjoys hours of fun and activity.

Features and Benefits

- Battery-powered motor moves toys around automatically
- Includes attention-getting plush toy
- Velcro straps allow it to be easily secured and removed from any door knob
- Operates on two AA batteries (not included)

PP00221 Tiger Motorized Mobile Door Knob Hanging Cat Toy 1/each

Nip Nibblers Nylon Woven Catnip Pouches

Squeeze release mesh distributes the perfect amount of catnip when chewed or squeezed. Made of lightweight mesh and durably constructed. Great for playing "swat & chase" that drives cats wild.

PP00211 Nip Nibblers Catnip Pouches - 4.5" long - Pack of 3

Tiger Diners for Cats – Controlled Proportion Feeders

The number one problem with most food dishes is that they allow cats to eat too much food – it's hard to guess the right portion size for your cat. This leads to problems with feline obesity and "fat cats". The Tiger Diner fixes all that with a design that challenges cats to fetch out their own food! They'll eat only as much as they need, so there's less waste and less overeating.

Features and Benefits

- Cats eat less – saves money on food bills
- Challenging activity appeals to the natural love of hunting
- Funnel shaped bowl is easy to load and automatically distributes food as needed
- Makes cats eat at a healthier speed, while stimulating them, mentally and physically
- Easy setup and cleanup – dishwasher safe

PP00012 Tiger Diner Plastic Natural Dish

PP00214 Tiger Diner Ceramic Black Dish

CAT PRODUCTS

Sticky Paws Houseplant Strips

Controls cat scratching behavior humanely. Same great formula cats hate & you love, but on a stiff plastic strip to hold its shape while it guards your favorite houseplants from kitty. Cut to fit & place in top of pot at base of plant. It won't interfere with watering and is safe for plants & cats!

PP29110 Sticky Paws Houseplant Strips – 10 strips per package

Sticky Paws Adhesive Strips for Furniture

Manufactured from inert and non-toxic materials, the one and only Sticky Paws! ® controls cat scratching behavior humanely. Transparent, medical-grade adhesive strips apply directly to furnishings and are harmless to cats and furniture when used as directed

PP29242 Sticky Paws Adhesive Strips – 24 strips per package

Sticky Paws on a Roll

Over 32 feet of product in the same crack-n-peel application as our famous - and unbeatable - original strips! Built-in serrated knife-edge trims product to any length for those hard to protect areas.

PP29248 Sticky Paws on a Roll – 32.8 feet long

Sticky Paws X-Large

Deters inappropriate elimination! Identical formulation to original Sticky Paws, but much larger coverage! Sheets, approximately 9"x12" are for over-sized area needs like the backs of sofas, rugs and carpets. Sticky Paws XL is especially effective to help control inappropriate elimination on carpet areas.

PP29250 Sticky Paws X-Large – 5 strips per package
