

C&S Suet's, Nuggets, Logs, Feeders

C & S SUET DELIGHTS:

C & S Suet Delight's are mixed into a soft dough texture, which is then pressed into cake form. C&S's process, unlike other who pour their dough products into a tray, creates the only true NO-MELT suet product line in the world. The base of corn meal, rendered beef suet and roasted peanuts, along with other seeds, fruits and nuts makes the Delight brand the favorite for warmer weather.
