

Tripett Green Tripe Pet Food

Tripett Dog Food uses the best tripe around and present within this trip are naturally occurring gastric juices, amino acids and other digestive enzymes not found in other pet food. These gastric juices and enzymes aid pets in digestion to efficiently utilize Tripett Dog Food for maximum nutrition. Amino acids are necessary for muscular development and other gastric juices are excellent cleaners for teeth. Tripett Dog Food contains Omega 3 and 6 essential fatty acids and has an exceptional balance of calcium to phosphorus. The overall pH is slightly acidic, which is better for digestion. Also present within the tripe are naturally occurring gastric juices, amino acids and other digestive enzymes not found in other pet food. These gastric juices and enzymes aid pets in digestion to efficiently utilize food for maximum nutrition. Amino acids are necessary for muscular development and other gastric juices are excellent cleaners for teeth.

TP00011 Advanced Skin & Coat – Duck & Salmon 12/13.2 oz

New Zealand Green Lamb Tripe

The "New Zealand Tripe Formula" is made from pure green lamb tripe taken from lamb raised and fed on the grasslands of New Zealand. Lamb tripe is easy for puppies to digest and provides them with all the important nutrients of green tripe, helping them to grow strong and healthy. Lamb tripe is also great for dogs allergic to beef products. Glucosamine and chondroitin are added to promote healthy joint cartilage.

Ingredients: New Zealand Lamb Tripe, Water, Garlic, Vegetable Gum*, Menhaden Fish Oil, Glucosamine, Chondroitin

Guaranteed Analysis: Crude Protein (min) 11% - Crude Fat (min) 7% - Crude Fiber (max) 0.5% - Moisture (max) 79.8%

TP00012 New Zealand Green Lamb Tripe 12/13.2 oz

New Zealand Venison Tripe

Pure Green Venison Tripe taken from venison raised and fed on the grasslands of New Zealand. Venison tripe is easy for puppies to digest and provides them with all the important nutrients of green tripe, helping them to grow healthy and strong. Tripett is intended to be mixed with dry or raw food. Don't think of it as a canned food to replace your current feeding program.

Ingredients: New Zealand Venison Tripe, Water, Garlic, Vegetable Gum

Guaranteed Analysis: Crude Protein (min) 10.5% - Crude Fat (min) 4.8% - Crude Fiber (max) 0.3% - Moisture (max) 79.8%

TP00013 New Zealand Venison Tripe 12/13.2 oz
